

# Trustees

The Fernhurst Hub is the trading name of the Fernhurst Centre Limited, a company limited by guarantee and a registered charity.

Its board of trustees meets regularly to review the operation of the Hub, consider its strategic aims and how to achieve them.

The Trustees are responsible for compliance with legislation applicable to the Hub's activity but also roll up their sleeves and take charge of many specific tasks and roles.

The Trustees are themselves volunteers and work together with the rest of the wonderful Hub Team. We'd love to mention everyone by name but with limited space, here's what we have room for...
